

Training workshop on Prey Base estimation at Shivpuri Circle, Madhya Pradesh

The Animal Ecology Division of State Forest Research Institute, Jabalpur and Ashok Nagar Forest Division has jointly organized a Conservancy (Circle) level training workshop on prey base estimation at Shivpuri Forestry Training School on 21st December 2024. In total, 92 frontline forest officials participated in this training workshop and learned techniques about line and vehicle transects, inserting data in m-stripe android application and field data collection. This training workshop was mentored by Mr Uttam Kumar Sharma (APCCF, Shivpuri Circle), Mrs Pavitra Ahirwar (DFO, Ashok Nagar Forest Division), Mr Sudhangshu Yadav (DFO Shivpuri Forest Division), Mrs Priyanshi Singh (DD Madhyav National Park) and Mr Akshay Rathore (DFO, Guna Forest Division). Dr Aniruddha Majumdar (Scientist) and Scholars from Animal Ecology Division provided hands-on training for frontline staff. SDOs and Range Forest officers from respective territorial divisions also participated in this training workshop.
