Museum

Dr. Gaurishankar Shejwar, Hon'ble Minister Forest, planning, economic and statistics departments of Govt. of M.P. on 24th February, 2018 inaugurated the forest museum established in the administrative block of the institute. This museum has been named '**Aranya Vithika**', which showcases the different aspects of forests of M.P. The forest diorama representing the food chain of ecosystem, panels representing various form, utility, threats etc. of forests, specimens of various wood types and plant fossils are kept for public view. Structure and activities of S.F.R.I is also exhibited through electronic media like touch screen and T.V.

This museum has been opened with an aim of making people aware of the various activities of forest and S.F.R.I. This museum will be open for the public during the office hours of the institute and entry to it is free of cost.
